OTHER BUSINESS ACTIVITIES

In addition to his or her advisory services through Commonwealth, your advisor is also registered as a broker/dealer representative of the firm. As your advisor's broker/dealer, Commonwealth provides brokerage execution services for the accounts of advisory clients participating in any of Commonwealth's Preferred Portfolio Services® (PPS) managed account programs. Your advisor makes securities recommendations to clients (or, in the case of discretionary services, makes investment decisions for clients) regarding Commonwealth's investment advisory programs. Where permitted by law, your advisor may receive mutual fund 12b-1 fees, service fees, due diligence fees, marketing reimbursements, or other payments relating to your investment(s) in or otherwise supporting your advisor's activities regarding the securities and insurance products recommended, purchased, or held in your investment advisory program. You should be aware that these fees, payments, and other compensation may present a potential conflict of interest because your advisor may have a greater incentive to recommend those investment advisory products or programs or make investment decisions regarding investments that provide such additional compensation to your advisor.
